PRESENTS

LEADERSHIP CHESTER COUNTY

Chester County's Premier Professional Development Program

Partnering with the United Way, **Chester County businesses can develop in their strongest team members the leadership skills and desire to serve** that will better our community and their companies.

Leadership Chester County fosters a vibrant, safe and inclusive community by preparing business leaders to guide nonprofit organizations. Through the 9-month course, in full-day sessions, participants explore complex social and community issues, develop leadership potential, form lasting professional relationships, and meet local nonprofit organizations that are seeking board members, positioning them to lead and network in our community.

Graduates bring back to their organizations valuable business, leadership and entrepreneurial skills, with new knowledge of the local economic landscape and new skills in management, planning and strategic thinking.
