

# UNITED WAY OF CHESTER COUNTY FIGHTS FOR THE EDUCATION, HEALTH AND FINANCIAL STABILITY OF EVERY PERSON IN OUR COMMUNITY.

We win by living United. By forging unlikely partnerships. By finding new solutions to old problems. By mobilizing the best resources. And by inspiring individuals to join the fight against our community's most daunting social issues.

## EDUCATION

*Helping Children Achieve Their Potential*

We address barriers to children having access to and engaging in high quality early learning experiences in home, community and early educational settings. We ensure students have access to and engage in positive, skill-building and leadership opportunities that lead to success in and out of school.

## HEALTH

*Helping People Live Independently and Overcome Obstacles to Good Health*

We work to prevent and/or address physical and behavioral health problems and ensure vulnerable populations (elderly, medically fragile, low income and disabled) have the resources to function as independent members of the community.

## FINANCIAL STABILITY

*Promoting Stability and Self-Sufficiency*

We work to stabilize individuals in crisis and meet their basic needs. We address barriers that negatively impact the ability to move toward financial stability and independence.

## BASICS NEEDS

*Safeguarding Life's Essential Needs*

We ensure individuals and families in crisis have their critical needs met – food, shelter, clothing and safety – without which children can't learn in school, families can't be financially stable and individuals and families can't enjoy good health.

**BECOME A HAND-RAISER  
OR A GAME-CHANGER.  
JOIN THE FIGHT:**

By convening partners, mobilizing volunteers, and through the support of generous people all over our area, United Way of Chester County tackles the source, not just the symptoms, of our community's core challenges. That's how we go beyond short-term charity for a few to long-lasting solutions that lift up the whole community.
