PRESENTS

LEADERSHIP CHESTER COUNTY

OVER 20 YEARS OF EXCELLENCE

*Chester County's Premier
Professional Development Program*

Partnering with the United Way of Chester County, companies can recognize promising employees by investing in their professional development and the local community.

Leadership Chester County fosters a vibrant, safe and inclusive community by preparing business leaders to guide nonprofit organizations. Participants explore complex social and community issues, develop leadership potential, form lasting professional relationships, and connect with local nonprofit organizations that are seeking board members, positioning them to lead and network in our community.

Graduates bring back to their organizations valuable business, leadership and entrepreneurial skills, with new knowledge of the local socio-economic landscape and new skills in management, planning and strategic thinking.
