GOLF FOR A CAUSE, CHESTER COUNTY

Unite for the worthy cause of contributing vital support to United Way of Chester County in their fight for the education, health and financial stability of every person in Chester County, while enjoying a full afternoon of fellowship and fun at the third annual Chester County Stronger Golf Classic. This year, we are delighted to announce a special focus for the event. All funds raised will be directed towards community programs and services that address the critical issue of food insecurity.

Participants will enjoy various hole contests, on-course refreshment stations, luncheon, cocktail hour and hors d'oeuvres, dinner and awards. This event is like no other golf outing in the community and is expected to sell out quickly.

\$240K

raised over the
past two years

FOOD INSECURITY

SPECIAL PROJECTS

Daniel began mental health treatments when he was three years old due to behavioral challenges at preschool. He was diagnosed with an adjustment disorder and needed a school that offered services to address his needs for behavior modification treatment. A United Way funded program was able to provide Daniel's parents a case manager to help identify a school placement for him and explain their rights as part of the Individualized Education Plan Process. They expressed feelings of empowerment because of the support they received from their case manager. Thanks to the treatment plan, Daniel was prepared and ready for kindergarten.
