**CHANGING MY LIFE.**

Our vision for Chester County is a community where all residents have opportunities to achieve a vibrant and healthy quality of life. We offer donors the opportunity to maximize their gifts and support to the most pressing needs in the community through our Community Impact & Innovation Fund.

**Together we can create real, lasting change.**

ALICE remains our target population. These are working families and individuals with income above the Federal Poverty Level, but not high enough to afford basic household necessities. Below are the essential categories that we provided funding for through our Community Impact & Innovation Fund:

### GRANT RECIPIENT HIGHLIGHT: WEST CHESTER FOOD CUPBOARD

Alex was struggling to keep up with basic living expenses, including transportation and food, putting their job and housing at risk. With support from a United Way funded program, they now receive regular food assistance.

Alex shared, "because of the food I receive, I can afford my car payments. Because I have a car, I can keep my job. Because I have a job, I can pay my rent."

This support has helped Alex maintain transportation, employment, and housing, providing stability and independence.
